

Heartland MLS Dashboard – Broker Branding

As promised, Heartland MLS would like to announce the ability for Brokers to modify the MLS dashboard to include your logo and color scheme. Please follow the steps below to make the necessary changes.

Log into the dashboard at matrix.heartlandmls.com and click the down arrow next to your name.

The screenshot shows the Heartland MLS dashboard interface. At the top left is the Heartland MLS logo. Below it is a navigation bar with a Home button and a session time indicator (00:59:54) and a user profile icon labeled 'Pat'. The main content area is divided into three sections: 'Applications' with icons for Matrix, Matrix Mobile, RPR, Supra, and Forms R Us (Beta); 'Member Portal Tools' with icons for Pay Your HMLS Bill, Pay Your KCRAR Bill, Education Calendar, Event Calendar, and Update Profile; and 'Quick Links - LOGIN REQUIRED' with icons for CSS Centralized Showing Service, Forms R Us, KCRAR, NAR.Realtor, KCRAR Facebook, and NAR Member Resources. On the right side, there is a 'Facebook Feed' section showing a post from the Kansas City Regional Association of REALTORS®. A red arrow points to the user profile icon in the top right corner, with the text 'Click the down arrow to access broker branding'.

You will now see an option in the drop down for Broker Branding.

This screenshot is similar to the previous one, but the user profile dropdown menu is open. The menu contains three options: 'Profile', 'Broker Branding', and 'Logout'. A red arrow points to the 'Broker Branding' option, with the text 'Click on Broker Branding'.

You can select a .png or .jpg file with your logo to replace the Heartland MLS logo in the upper left hand corner of the dashboard. Please note the max width of 400px and max height of 150px. You can also change the background color of the dashboard header.

1. Header Theme logo and header background color

Example Header

Dashboard Logo

Click Browse to select your logo file

You can change the dashboard header background color here

Logo File upload - Max Height: 150px | Max Width: 400px | .png or .jpg

Header Background Color

Browse... #ffffff

Change the background and text colors for the dashboard panels here. This affects the Applications, Member Portal Tools and Quick Links headers.

2. Panel Theme panel header background and text color
