**LISTING PROCEDURES**

**SECTION 1 - LISTING PROCEDURES**

All data on listings of single family homes, vacant lots, acreage, 2 family, 3 family and 4 family residential buildings, including all sales made from a model home taken on an Exclusive Right to Sell listing agreement within the HMLS service area shall be entered into the MLS system after all necessary signatures of the sellers have been obtained. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

Listings on properties of the types that are permitted, but not required, to be submitted to the Heartland MLS system shall not be subject to the provisions of these Rules and Regulations governing the time within which listings must be submitted to the Heartland MLS system: provided, however, that, upon submission of any non-mandatory listings to the Heartland MLS system, Participants or Subscribers shall be responsible for compliance with all provisions of these Rules and Regulations that apply to listings that have been submitted to the Heartland MLS system.

Mobile homes may be entered into the MLS system only if land is included in the sale.

Exclusive Agency listings may be entered into the MLS system and, if entered, Heartland MLS Rules and Regulations will apply. Exclusive Agency listings submitted to Heartland MLS must be clearly identified as an Exclusive Agency in the listing data by placing "EA" in the listing type section.

Exclusive Right to Sell listings with named prospects exempted (exclusions) should be clearly distinguished from Exclusive Right to Sell listings with no named prospects exempted by placing a "PX" in the listing type section.

Heartland MLS shall not accept net listings, open listings or non-exclusive listings, nor shall Heartland MLS accept any exclusive agency or exclusive right to sell listing with more than one firm identified as the listing broker if one or more of the identified listing brokers are not Participants in Heartland MLS.

Heartland MLS shall accept exclusively listed property that is subject to auction, provided that such auction listings are clearly identified as Auction Listings by placing the symbol "AU" in the status field. Auction Listings shall be further governed by the provisions of Section 1.3.1.

The listing agreement of a property entered into the MLS database by the listing broker shall include the seller's written authorization to the listing broker to place data about the property, including virtual tours and images depicting the property, in the MLS database compilation for dissemination to MLS Participants and Subscribers, and for further dissemination of such data to other internet data sources and aggregations as deemed appropriate by the MLS. The listing agreement shall further authorize the listing broker to report sales information about the property, including the price at which the property sold, or is contracted to be sold, to the MLS for dissemination to MLS Participants, Subscribers, and other licensees or users of the MLS database compilation. If the property listing documentation is not corrected/completed and provided to HMLS within three (3) business days of notification by HMLS, the listing will be removed.

**SECTION 1.1 - LISTING SUBJECT TO RULES AND REGULATIONS OF HEARTLAND MLS**

Any listing taken on a contract to be entered into the Heartland MLS database is subject to the Rules and Regulations of Heartland MLS upon signature of the seller(s).

**SECTION 1.1.1 – CLEAR COOPERATION POLICY**

Within One Business Day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in

windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public.

(General Note: Social Media is Included in the Applications available to the General Public)

## **SECTION 1.2 - DETAIL OF LISTINGS FILED WITH HEARTLAND MLS**

Property data, when filed with Heartland MLS, shall be complete in every detail which is ascertainable and shall be restricted to only the property data as specified on the Property Data Form. No reference shall be made to a Participant's or Subscriber's identifying information including, but not limited to, the Participant's or Subscriber's individual or company name, telephone number, fax number, photograph, or email address, in any field on a Property Data Form unless specifically permitted or required by such field, or as may be permitted or required under Section 12.3 of these Rules. Detail information for each listing shall be limited to descriptions of the property. In the event a listing is not complete in detail or makes reference to Participant or Subscriber identifying information not specifically authorized by these Rules, the Participant or Subscriber shall be subject to penalties as provided for in Section 7.3.

## **SECTION 1.3 - LIMITED SERVICE LISTINGS**

Limited Service Listings. Limited Service Listings are listing agreements under which the listing broker will not, to the extent permitted by state law, provide one, or more, of the following services:

- (a) arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s);
- (b) advise the seller(s) as to the merits of offers to purchase;
- (c) participate on the sellers(s) behalf in negotiations leading to the sale of the listed property.

Limited Service Listings shall be designated as "LS" in the listing type field so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property. HMLS reserves the right to remove any listings from the Service for which the listing broker declines to provide the minimum level of service to the seller required by applicable state law.

### **SECTION 1.3.1 - AUCTION LISTINGS**

(a) Auction listings entered into the MLS system shall be clearly labeled as Auction Listings, and shall specify the seller's minimum bid price, whether the auction is being conducted with or without the seller's right of reservation, the time, place and date of the auction, the procedures by which Participants or Subscribers shall register their representation of a potential bidder at the auction, the compensation to be paid to the Participant or Subscriber representing the successful bidder, the time or manner in which potential bidders may arrange to inspect the listed property, and any other information that is material to rules or procedures by which the auction will be conducted.

(b) If the seller will accept a purchase offer prior to the scheduled auction, the Auction Listing shall specify, in addition to all of the information in Section 1.3.1 (a), a List Price, and the cooperative compensation to be paid to the cooperating Participant in the event of a pre-auction sale. The listing Participant must further indicate clearly and conspicuously in the Remarks Section that: (1) the property is available for showing, (2) purchase offers may be submitted for acceptance prior to the scheduled auction, and any time limitations applicable to the submission or consideration of such offers prior to the auction, and (3) if a purchase offer is accepted prior to, or on the date of, the scheduled auction, the auction of the property will be cancelled.

(c) If a listing Participant or a seller of an active listing in the MLS system subsequently places the listed property for auction with an auctioneer who is not a Participant in the MLS, the listing Participant shall either (1) change the status of the listing to an auction listing in compliance with the provisions of Section 1.3.1(a) if the property remains listed with the Participant during the period the property is subject to auction, or (2) withdraw or cancel the listing in the MLS system if the listing Participant's listing has been suspended or cancelled by reason of the auction and, as a result, the Participant has no control over the listing and no compensation is offered by the Participant. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

#### **SECTION 1.4 - EXEMPTED LISTINGS**

An exempt listing is a listing whereby the seller wishes to withhold the listing from being entered into the MLS system for the entire listing period.

If the seller(s) refuses to permit the listing to be disseminated by Heartland MLS during the entire listing period, the Subscriber may then take an Exclusive listing and such listing shall not be disseminated to Participants. A Private Office Exclusive Agreement shall be signed by the seller(s) acknowledging they understand that their property will not be entered into the MLS system, cannot be publicly marketed nor will the listing information be included in any IDX or MLS listing syndication feeds for the entire period of the listing.

If an exempt listing is publicly marketed as laid out by Section 1.1.1 of these rules it shall be entered into the MLS system within one (1) business day of the violation. A fine will be assessed as set out in Section 7.3. Repeat offenders of this rule may be subject to additional fines and/or sanctions being assessed as set forth in Sections 7 and 7.3 of these rules or published on the MLS site.

For exempt listings, a copy of the Private Office Exclusive Agreement shall be sent to Heartland MLS. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

#### **SECTION 1.5 - CHANGE OF LISTINGS**

Any change in listed price or other terms of the original listing agreement shall be made only when authorized in writing by the seller(s) or Participant and shall be entered into the Heartland MLS system. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

#### **SECTION 1.6 - WITHDRAWAL OF LISTING PRIOR TO EXPIRATION**

Listings of property may be withdrawn from Heartland MLS by the listing Participant before the expiration date of the listing agreement only when authorized in writing by the seller(s). This information must be reported in the MLS system. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

Sellers do not have the unilateral right to require an MLS to withdraw or cancel a listing from the Heartland MLS system without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, Heartland MLS may withdraw or cancel the listing from the Heartland MLS system at the request of the seller.

It shall constitute a violation of Section 2.4 of these Rules for a listing broker, with or without the permission or direction of the Seller or the Buyer, to submit a listing withdrawal or cancellation notice after a sales contract has been agreed upon or executed, and thereafter to fail or refuse to report the pending sale or the closing of the transaction to Heartland MLS.

The reclassification of a listing Participant's listing to withdrawn or cancelled in the Heartland MLS system shall not have any effect on any claims or causes of action that the original listing broker may have against the seller or the subsequent listing Participant resulting from the withdrawal or cancellation of the original listing broker's listing from the Heartland MLS system.

#### **SECTION 1.7 - LISTING PRICE SPECIFIED**

The full gross listing price stated in the listing contract will be included in the information published in the Heartland MLS compilation of current listings unless the property is subject to auction. If range pricing is utilized, the high end of the price range will be placed in the List Price field, "R" will be placed in the Range Pricing field and the low end of the price range will be placed in the Low List Price field.

### **SECTION 1.8- LISTING MULTIPLE UNIT PROPERTIES**

All properties which are to be sold or which may be sold separately must be indicated individually in the listing agreement and in the property data. If the property listing documentation is not corrected/completed and provided to HMLS within three (3) business days of notification by HMLS, the listing will be removed.

When part of a listed property has been sold, proper notification should be reported in the Heartland MLS system. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

### **SECTION 1.9 - NO CONTROL OF COMMISSION RATES OR FEES CHARGED BY PARTICIPANTS**

Heartland MLS shall not fix, control, recommend, suggest or maintain commission rates or fees for services to be rendered by Participants. Further, Heartland MLS shall not fix, control, recommend, suggest or maintain the division of commission or fees between cooperating Participants or between Participants and Non-Participants.

### **SECTION 1.10 - EXPIRATION, EXTENSION AND RENEWAL OF LISTINGS**

Any listing filed with the service automatically expires upon the expiration date of the listing agreement unless renewed or extended by the listing broker and a notice of extension is entered into the Heartland MLS system prior to expiration.

If notice of extension is received by Heartland MLS prior to expiration, then such notice of extension need not be published by Heartland MLS.

If notice of renewal or extension of a listing agreement is dated after the expiration of the original listing, it may then be entered as a new listing or brought back as active status. Any extension or renewal of a listing agreement must be signed by the seller(s).

### **SECTION 1.11- TERMINATION DATE ON LISTINGS**

Listings shall bear a definite and final termination date as negotiated between the listing broker and the seller(s). If the property listing documentation is not corrected/completed and provided to HMLS within three (3) business days of notification by HMLS, the listing will be removed.

### **SECTION 1.12- SERVICE AREA**

Only listings of the designated types of property located within the counties of Johnson, Wyandotte, Leavenworth, Douglas, Miami, Franklin, Linn, Atchison, Doniphan, Jefferson and Bourbon in Kansas and Jackson, Clay, Platte, Cass, Lafayette, Bates, Buchanan, Clinton, Caldwell, Daviess, DeKalb, Johnson, Andrew, Gentry, Harrison, Worth, Atchison, Holt, Nodaway, Ray, Henry, Vernon, St. Clair, Cedar, Barton and Dade in Missouri are required to be submitted to Heartland MLS. Listings of property located outside the named counties will be accepted if submitted voluntarily by a Participant but cannot be required by Heartland MLS.

### **SECTION 1.13- LISTINGS OF SUSPENDED PARTICIPANTS**

When a Participant of the Heartland MLS is suspended for failing to abide by a membership duty (i.e. violation of the Code of Ethics, Board/Association Bylaws, Heartland MLS Bylaws, Heartland MLS Rules and Regulations, or other membership obligation except failure to pay appropriate dues, fees or charges), all listings currently filed with the Heartland MLS by the suspended Participant shall, at the Participant's option, be retained in the Heartland MLS until sold, withdrawn or expired, and shall not be renewed or extended by the Heartland MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from his or her Board/Association or Heartland MLS (or both) for failure to pay appropriate dues, fees or charges, Heartland MLS is not obligated to provide services, including continued inclusion of the suspended Participant's listings in the Heartland MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the Heartland MLS, the suspended Participant shall be advised in writing of the intended removal so that the suspended Participant may advise his clients.

### **SECTION 1.14- LISTINGS OF EXPELLED PARTICIPANTS**

When a Participant of the Heartland MLS is expelled for failing to abide by a membership duty (i.e. violation of the Code of Ethics, Board/Association Bylaws, Heartland MLS Bylaws, Heartland MLS Rules and Regulations, or other

membership obligation except failure to pay appropriate dues, fees or charges), all listings currently filed with the Heartland MLS by the expelled Participant shall, at the Participant's option, be retained in the Heartland MLS until sold, withdrawn or expired, and shall not be renewed or extended by the Heartland MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been expelled from his or her Board/Association or Heartland MLS (or both) for failure to pay appropriate dues, fees or charges, Heartland MLS is not obligated to provide services, including continued inclusion of the expelled Participant's listings in the Heartland MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the Heartland MLS, the expelled Participant shall be advised in writing of the intended removal so that the expelled Participant may advise his clients.

#### **SECTION 1.15- LISTINGS OF RESIGNED PARTICIPANTS**

When a Participant resigns from the Heartland MLS, Heartland MLS is not obligated to provide services, including continued inclusion of the former Participant's listings in the Heartland MLS compilation of current listing information. Prior to any removal of a former Participant's listings from the Heartland MLS, the Participant shall be advised in writing of the intended removal so that the Participant may advise his clients.

#### **SECTION 1.16 - WRITTEN DOCUMENTATION**

Participants and Subscribers filing listings with Heartland MLS shall have a valid written listing agreement with all necessary signatures in their possession. By entering a listing into the Heartland MLS system, Participants and Subscribers represent that they have in their possession such written agreements and the represented type of listing agreement. Heartland MLS shall also have the right to request a copy of the seller's written authorization required under these rules. If the Participant fails to provide documentation requested by Heartland MLS within the prescribed time frame, Heartland MLS shall have the right to immediately delete any listings from the database in addition to disciplining the Participant for a violation of Heartland MLS Rules. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

#### **SECTION 1.17- LOCKBOX COMBINATIONS**

No lockbox combinations shall be entered anywhere in the Heartland MLS system to include but not limited to the following: listing information, Open House and MLS Tour. Violations of this rule shall be subject to an automatic penalty as set out in Section 7.3 of these rules or published on the MLS site.

#### **SECTION 1.18 – LISTINGS OF “RETIREMENT” PROPERTIES**

Any listing otherwise eligible for dissemination in the Heartland MLS database that is located within a “retirement” community, or subject to any restriction that limits occupancy of the property to persons over a certain age, shall include a statement specifically disclosing such restriction in the “Remarks” Section of the property data record. Before such a listing is input into the Heartland MLS database, the listing Participant shall secure a written representation from the seller that any restriction on the age of the occupants of the property does not violate any federal, state, or local law, and that the seller shall defend, indemnify, and hold harmless, the listing Participant, Heartland MLS, and any cooperating broker from any losses, damages, or defense costs and expenses, including attorney fees, in the event the seller’s representation is inaccurate. This written representation and indemnification commitment of the seller shall be kept in the file of the listing Participant and produced to Heartland MLS upon request. If the written representation and indemnification commitment of the seller are not provided to HMLS within three (3) business days of notification by HMLS, the listing will be removed. Notwithstanding any representations or indemnity commitments of the seller, the listing Participant’s submission of a listing to the Heartland MLS database that is subject to a restriction on the age of the occupants of the property shall constitute the listing Participant’s commitment to defend, indemnify, and hold harmless Heartland MLS, and any cooperating Participant who markets the property in a manner consistent with the age limitations stated on the listing record, from any losses including damages of any type whatsoever, and defense costs and expenses, including attorneys fees, arising from any claim or allegation by a private party or government agency that such age restrictions violate any federal, state or local law or regulation.

## **SECTION 1.19– SECOND LISTING AGENT FIELD**

Only licensed agents who are Participants or Subscribers of Heartland MLS and of the same brokerage company may appear in the Second Listing Agent field on property listing data. Listing Coordinators may appear in the Showing Agent Information on the listing data.

When a listing is submitted to the Heartland MLS system designating the name of a Team in the First Listing Agent field, the name of the Participant or Subscriber within the Team having principal responsibility for the listed property shall be entered in the Second Listing Agent Field.

## **SELLING PROCEDURES**

### **SECTION 2 - SHOWINGS AND NEGOTIATIONS**

Appointments for showings and negotiations with the seller(s) for the purchase of listed property filed with Heartland MLS shall be conducted through the listing broker except when the listing broker gives the cooperating broker specific authority to show and/or negotiate directly in the "Showing Agent Information" portion of the property data. In the event there is knowledge of a requirement for written approval by a third party or any special forms that are required, this information shall be disclosed in the Showing Agent Information field. Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

### **SECTION 2.1 - PRESENTATION OF OFFERS**

The listing broker must make arrangements to present all offers as soon as possible, or give the cooperating broker a satisfactory reason for not doing so. In the event a property listing includes a simultaneous bidding period and offers are accumulated until a certain future date, this information, including the specific future date, must be disclosed in the Showing Agent Information field of the listing. Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

### **SECTION 2.2 - SUBMISSION OF WRITTEN OFFERS AND COUNTER OFFERS**

The listing broker shall submit to the seller(s) all written offers until closing unless precluded by law, regulation, or agreed otherwise in writing between the seller(s) and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller(s) obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

### **SECTION 2.3 - RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER/COUNTER OFFERS**

The cooperating broker (subagent, buyer agent, or broker acting in other agency or non-agency capacity) or his representative shall have the right to be present when an offer they secured is presented by the listing broker to the seller(s) of any offer he secures to purchase. He does not have the right to be present at any discussion or evaluation of that offer by the seller(s) and the listing broker. However, if the seller(s) gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser (except where the cooperating broker is a subagent). However, if the purchaser gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's written instructions.

#### **SECTION 2.4 - REPORTING SALES TO SERVICE**

Pending sales shall be reported in the Heartland MLS system by the listing broker. The closing of a sale, including the sale price, shall also be reported to Heartland MLS within the prescribed time frame. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

It shall be a violation of this Section for a listing broker to agree to cancel or withdraw a listing prior to its expiration pursuant to Section 1.6 and thereafter fail to report a sale or closing of a sale in which the listing broker participated. If the accurate sold data is not entered into the MLS system within three (3) business days of notification by HMLS, the listing agent's MLS service will be suspended until the data is entered. Any appropriate fines will also be assessed as set out in Section 7.3 or published on the MLS site.

#### **SECTION 2.5 - REPORTING ON CONTINGENCIES**

The listing broker shall report to Heartland MLS within the prescribed time frame that a contingency on file with Heartland MLS has been fulfilled or renewed, or the agreement canceled. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

#### **SECTION 2.6 - ADVERTISING OF LISTING FILED WITH HEARTLAND MLS**

Advertising of any listing by a Participant other than the listing broker is permissible only with the consent of the listing broker. Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

#### **SECTION 2.7 - REPORTING CANCELLATION OF PENDING SALE**

The listing broker shall report to Heartland MLS any pending sale canceled and the listing shall be reinstated or withdrawn immediately provided the Exclusive Agreement is still in effect. In the event the listing is no longer in effect, the listing shall be canceled immediately. Failure to do so within the prescribed time frame will result in a fine. The time frame for compliance and fine for non-compliance are set out in Section 7.3 or published on the MLS site.

#### **SECTION 2.8 - DISCLOSING THE EXISTENCE OF OFFERS**

Listing Brokers, in response to inquiries from buyers or cooperating brokers shall, with the sellers' approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker.

#### **SECTION 2.9 – AVAILABILITY OF LISTED PROPERTY**

Listing brokers shall not misrepresent the availability of access to show or inspect listed property.

#### **SECTION 3 - REFUSAL TO SELL**

If the seller(s) of any listed property entered in the Heartland MLS system refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to Heartland MLS and to the Participants.

### **PROHIBITIONS**

#### **SECTION 4 - INFORMATION FOR PARTICIPANTS ONLY**

Any listing entered in the Heartland MLS system shall not be made available to any broker or firm not a Participant without the prior consent of the listing broker.

#### **SECTION 4.1 - "FOR SALE" SIGNS**

Only "For Sale" signs of the listing broker may be placed on a property. Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

## **SECTION 4.2 - "SOLD" SIGNS**

Prior to closing, only the "Sold" signs of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

## **SECTION 4.3 - SOLICITATION OF LISTING FILED WITH HEARTLAND MLS**

Participants shall not solicit a listing on property filed with Heartland MLS unless such solicitation is consistent with the REALTOR® Code of Ethics, its Standards of Practice and its Case Interpretations.

## **DIVISION OF COMMISSIONS**

### **SECTION 5 - COOPERATIVE COMPENSATION SPECIFIED ON EACH LISTING**

The listing broker shall specify, on each listing entered in the Heartland MLS system, the compensation offered to other Heartland MLS Participants for their services in the sale of such listing.

In filing a property with Heartland MLS, the Participant is making a blanket unilateral offer of compensation to the other Heartland MLS Participants, and shall therefore specify on each listing entered into the Heartland MLS system, the compensation being offered to the other Heartland MLS Participants. Specifying the compensation on each listing is necessary because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.

The information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions unless advised otherwise by the listing broker in writing in advance of their submitting an offer to purchase. Compensation specified on listings published by the Heartland MLS shall be shown in one of the following forms:

1. By showing a percentage of the gross selling price.
2. By showing a percentage of the net selling price.
3. By showing a definite dollar amount.

The net selling price shall be defined as the gross selling price minus allowable seller concessions. Allowable concessions shall be defined by the Heartland MLS Board of Directors from time to time.

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different.

This shall not preclude the listing broker from offering any Heartland MLS Participant compensation other than the compensation indicated on any listing published by Heartland MLS provided the listing broker informs the other broker in writing in advance of their submitting an offer to purchase and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in Heartland MLS. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price, net sales price or as a flat dollar amount.

While offers of compensation made by listing brokers to cooperating brokers through Heartland MLS are unconditional, a listing broker's obligation to compensate a cooperating broker who was the procuring cause of sale may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through Heartland MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement

might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

Heartland MLS shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and Heartland MLS shall not publish the total negotiated commission on a listing which has been submitted to Heartland MLS by a Participant. Heartland MLS shall not disclose in any way the total commission negotiated between the seller(s) and the listing broker.

The listing broker may, from time to time, adjust the compensation offered to other Heartland MLS Participants for their services with respect to any listing by advance published notice to Heartland MLS so that all Participants will be advised.

Nothing in these MLS rules precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation that will be paid in the event of a successful transaction.

Heartland MLS shall make no rule on the division of commissions between Participants and non Participants. This should remain solely the responsibility of the listing broker.

Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

### **SECTION 5.1 – SHORT SALES**

A short sale is defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Participants must disclose potential short sales when reasonably known to the listing Participants. Listing participants must disclose to cooperating Participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within 24 hours of receipt of notification from the lender. When disclosed, Participants may, at their discretion, advise other Participants whether and how any reduction in the gross commission established in the listing agreement, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating Participants.

### **SECTION 5.2 - DUAL OR VARIABLE RATE COMMISSION ARRANGEMENTS**

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller(s) agrees to pay a specified commission if the property is sold by the listing broker without assistance and a different commission if the sale results through the efforts of a cooperating broker; or one in which the seller(s) agrees to pay a specified commission if the property is sold by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale results through the efforts of the seller(s) shall be disclosed by the listing broker by putting "VR" in the listing type section. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale that results through the efforts of the seller(s). If the cooperating broker is a buyer representative, the buyer representative must disclose such information to their client before the client makes an offer to purchase.

## **PARTICIPANT IN TRANSACTION**

### **SECTION 5.3 - PARTICIPANT AS PRINCIPAL**

### **SECTION 5.4 - PARTICIPANT AS PURCHASER**

If a Participant or any licensee (including licensed or certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed in writing to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Any violations of this section shall be handled in accordance with Section 9.1 of these rules.

Licensee shall also sign said waiver. There shall be no charge for the waiver.

In the event it is determined that a Participant has a licensee in his/her office who has not completed and submitted a Subscriber Access Form or a Subscriber Waiver Form to HMLS, HMLS will charge the Participant quarterly Subscriber fees for that licensee retroactive to the date, within the current fiscal year, the agent/appraiser joined the Participant's office. Further, failure of any user or Subscriber to abide by the Rules and Regulations and/or sanction imposed for violations thereof can subject the Participant to the same or other discipline. As used throughout these rules, "display" includes "delivery" of such listings. A Participant is presumed to give consent to other Participants to download listings from the Heartland MLS database compilation for display on the other Participants'/Subscribers' IDX displays, including data about properties listed with the Participant, unless the Participant affirmatively notifies Heartland MLS that the Participant declines to permit the display of the Participant's listings on other Participants'/Subscribers' IDX displays. A Participant may withhold consent on a blanket or listing by listing basis. If a Participant refuses to consent to the display of his or her listings on other Participants' IDX displays on a blanket basis, then neither the Participant nor his or her Subscriber(s) shall be eligible to download, frame, or display from Heartland MLS database compilation other Participants' listings on the Participant's or Subscriber's IDX displays. Even where Participants have given blanket authority for other Participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all internet display. A Heartland MLS Subscriber may display Heartland MLS listing data on the Subscriber's IDX display pursuant to this Section 12.3 only if the Subscriber is affiliated with a Participant who has consented to allow other Participants/Subscribers to display the Participant's listings on the other Participants'/Subscribers' websites. The decision to withhold consent on a listing by listing basis to the display of a Participant's listing on other Participants'/Subscribers' websites can only be made by the listing Participant, and not by a Subscriber.

Participants/Subscribers who download other Participants' listings from the Heartland database compilation for display on the Participant's IDX display shall observe the following additional requirements:

- (a) Participants must notify Heartland MLS of their intention to display IDX information and must give HMLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies;

- (d) The name of the Listing Firm for each listing must be disclosed on the Participant's/Subscriber's IDX display. The Listing Firm shall be identified in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. Displays of minimal information (e.g. "thumbnails", text messages, "tweets", etc.) of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the devices application;
- (e) The data fields that may be downloaded and displayed on an IDX display shall be limited to those specifically authorized from time to time by Heartland MLS. Confidential fields intended only for other MLS Participants and Subscribers (e.g., cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed;
- (f) Participants/Subscribers may not alter, modify, or amend any data downloaded from the Heartland MLS database compilation relating to the listing of another Participant. MLS participants may augment their IDX displays of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated from the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields;
- (g) "Framing" of any Heartland MLS Internet site is prohibited;
- (h) Participants/Subscribers must refresh all MLS downloads, including listing data/photos displayed on their IDX sites and IDX displays automatically fed by these downloads at least once every twelve (12) hours;
- (i) Participants/Subscribers must display on their IDX site the date Heartland MLS listing data was last updated on the website;
- (j) Participants/Subscribers shall not transmit, retransmit, or allow the transmission or retransmission of, any listing data pertaining to other Participants' listings to any person for any purpose other than the personal, non-commercial use of the data to identify a property that the recipient of the data has a good faith interest in acquiring;
- (k) Participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require Participants to prevent indexing of IDX listings by recognized search engines;
- (l) Except as provided in IDX policy and these rules, an IDX site or a Participant or Subscriber operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity;
- (m) Participants'/Subscribers' IDX sites shall not be allowed to display more than five hundred (500) listing records in response to any single search request;
- (n) Only MLS REALTORS<sup>®</sup> holding participatory rights in Heartland MLS and licensed as real estate brokers, and their Subscribers who hold real estate broker's or salesperson's licenses, may display other Participants' listings;
- (o) Participants/Subscribers must include the following disclaimer on each page of the Participant's/Subscriber's IDX site on which other Participants' listing data is displayed:

"The information displayed on this page is confidential, proprietary, and copyrighted information of Heartland Multiple Listing Service, Inc. ("Heartland MLS"). Copyright (current year), Heartland Multiple Listing Service, Inc. Heartland MLS and (name of firm) do not make any warranty or representation concerning the timeliness or accuracy of the information displayed herein. In consideration for the receipt of

the information on this page, the recipient agrees to use the information solely for the private non-commercial purpose of identifying a property in which the recipient has a good faith interest in acquiring.”

Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures.

- (p) Participants/Subscribers may display other Participants’ listing information only on websites that are wholly owned or operated by the Participant/Subscriber, or jointly owned or operated by two or more Participants/Subscribers who operate under the same brand. A Participant/Subscriber may not display other Participants’ listing information on any publicly accessible website that is ‘co-branded’ with or sponsored by another entity that is not operating under the same brand as the Participant/Subscriber;
- (q) Any IDX display controlled by a Participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules.
- (r) Any third party vendor retained by a Participant/Subscriber to design, construct, or maintain a website on behalf of a Participant/Subscriber on which other Participants’ listing information will be displayed pursuant to this Section 12.3, shall execute an agreement in a form prescribed by Heartland MLS in which the third party vendor agrees, among other things, to comply with the limitations on the use of Heartland MLS data set forth in Heartland’s MLS Rules and Regulations;
- (s) Participants and Subscribers using the IDX program shall require consumers to agree to limitations on the use of Heartland MLS data in a form determined by Heartland MLS, as may be amended from time to time, before consumers may view any search results at the Participant’s/Subscriber’s website;
- (t) Participants/Subscribers must include on each listing, at a minimum, a one-letter listing status code, and a legend defining the meaning of the letter code at an appropriate location on the Participant’s/Subscriber’s website;
- (u) Participants/Subscribers must clearly and conspicuously segregate the display of Heartland MLS IDX listing data and IDX feeds from Realtor<sup>®</sup> Association MLSs where the MLS Participant holds participatory rights from listing data that the Participant/Subscriber may acquire from other sources. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Listings obtained from other sources (e.g., from other MLSs, from non-participating brokers, etc.) must display the source from which each such listing was obtained;
- (v) Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location (“uptown”, “downtown”, etc.), list price, type of property (e.g. condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., Exclusive Right to Sell or Exclusive Agency), or the level of service being provided by the listing firm. Selection of listings displayed through IDX must be independently made by each Participant;
- (w) Participants/Subscribers must display the following disclaimer, at least on the front page of their website, if they choose to display only a portion of the IDX listings available for display:

“The data relating to real estate displayed on this website comes in part from the Heartland Multiple Listing Service database compilation. The properties displayed on this website may not be all of the properties in the Heartland MLS database compilation, or all of the properties listed with other brokers participating in the Heartland MLS IDX program. Detailed information about the properties displayed on this website includes the name of the listing company.”

- (x) No Participant/Subscriber shall indicate or imply in any manner that the Participant/Subscriber is a multiple listing service or that the public has access to or may search Heartland MLS on the Participant’s/Subscriber’s website (e.g. "Search the MLS" or "Access Heartland MLS");
- (y) Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the Participant beyond that supplied by HMLS and that relates to a specific property. Participants shall correct or remove any false data or

information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, Participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

Any IDX display controlled by a Participant or Subscriber that 1) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or 2) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Participants. Except for the foregoing, a Participant's IDX display may communicate the Participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller.

- (z) Participants/Subscribers may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules and the MLS Participant/Subscriber holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display.

A Participant who violates any of the provisions of this Rule shall be fined \$250.00 for the first violation, and \$500.00 for any subsequent violation in the same calendar year. Upon a second violation in the same calendar year, the Participant's access to IDX data may be denied.

## **USE OF MLS INFORMATION**

### **SECTION 13 - LIMITATIONS ON USE OF HEARTLAND MLS INFORMATION**

Information from MLS compilations of current listing information, from statistical reports, and from any sold or comparable report of the Board/Association or MLS may be used by MLS Participants as the basis for aggregated demonstrations of market share or comparisons of firms in public mass-media advertising or in other public representations. This authority does not convey the right to include in any such advertising or representation information about specific properties which are listed with other Participants, or which were sold by other Participants (as either listing or cooperating broker).

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the Shareholder Association or Heartland MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

NOTE: "Based on information from the Kansas City Regional Association of REALTORS® or Heartland MLS for the period (date) through (date)."

## **ARBITRATION OF DISPUTES**

### **SECTION 14 - ARBITRATION OF DISPUTES**

**14.1** By becoming and remaining a Participant, each Participant agrees to arbitrate disputes involving contractual issues and questions, and specific non-contractual issues and questions defined in the National Association of REALTORS® Standard of Practice 17-4 of the Code of Ethics with MLS Participants in different firms arising out of their relationships as Heartland MLS Participants, subject to the following qualifications:

- (a) If all disputants are members of the same Board/Association, or have their principal place of business within the same Board's/Association's territorial jurisdiction, they shall arbitrate pursuant to the procedures of that Board/Association of REALTORS®.

- (b) If the dispute is between a member of the Shareholder Association and a member of another Board/Association of REALTORS<sup>®</sup>, or a non-REALTOR<sup>®</sup> Participant, Participants remain obligated to arbitrate in accordance with the procedures of the Shareholder Association. If the property is not located within the jurisdiction of the Shareholder Association of REALTORS<sup>®</sup>, Participants remain obligated to arbitrate in accordance with the procedures of the Kansas or Missouri Association of REALTORS<sup>®</sup>.

Nothing herein shall preclude Participants from agreeing to arbitrate the dispute before a mutually agreed upon Board/Association of REALTORS<sup>®</sup>.

## **STANDARDS OF CONDUCT**

### **SECTION 15 - STANDARDS OF CONDUCT FOR MLS PARTICIPANTS/SUBSCRIBERS**

**15.1** MLS Participants/Subscribers shall not engage in any practice or take any action inconsistent with exclusive representation or exclusive brokerage relationship agreements that other MLS Participants/Subscribers have with clients.

**15.2** Signs giving notice of property for sale, rent or exchange shall not be placed on property without consent of the seller.

**15.3** MLS Participants/Subscribers acting as subagents or as buyer/tenant representatives or brokers, shall not attempt to extend a listing broker's offer of cooperation and/or compensation to other brokers without the consent of the listing broker.

**15.4** MLS Participants/Subscribers shall not solicit a listing which is currently listed exclusively with another broker. However, if the listing broker, when asked by the MLS Participant/Subscriber, refuses to disclose the expiration date and nature of such listing; i.e., an exclusive right to sell, an exclusive agency, open listing, or other form of contractual agreement between the listing broker and the client, the MLS Participant/Subscriber may contact the owner to secure such information and may discuss the terms upon which the MLS Participant/Subscriber might take a future listing or, alternatively, may take a listing to become effective upon expiration of any existing exclusive listing.

**15.5** MLS Participants/Subscribers shall not solicit buyer/tenant agency agreements from buyers/tenants who are subject to exclusive buyer/tenant agency agreements. However, if a buyer agent, when asked by a MLS Participant/Subscriber, refuses to disclose the expiration date of the exclusive buyer/tenant agency agreement, the MLS Participant/Subscriber may contact the buyer/tenant to secure such information and may discuss the terms upon which the MLS Participant/Subscriber might enter into a future buyer/tenant agency agreement or, alternatively, may enter into a buyer/tenant agency agreement to become effective upon the expiration of any existing exclusive buyer/tenant agency agreement.

**15.6** MLS Participants shall not use information obtained from listing brokers through offers to cooperate made through multiple listing services or through other offers of cooperation to refer listing brokers' clients to other brokers or to create buyer/tenant relationships with listing brokers' clients, unless such use is authorized by listing brokers. This would include marketing goods or services to Participants, Subscribers, or their clients or customers.

**15.7** The fact that an agreement has been entered into with a MLS Participant/Subscriber shall not preclude or inhibit any other MLS Participant/Subscriber from entering into a similar agreement after the expiration of the prior agreement.

**15.8** The fact that a prospect has retained a MLS Participant/Subscriber as an exclusive representative or exclusive broker in one or more past transactions does not preclude other MLS Participants/Subscribers from seeking such prospect's future business.

**15.9** MLS Participants/Subscribers are free to enter into contractual relationships or to negotiate with sellers/landlords, buyers/tenants or others who are not represented by an exclusive agent but shall not knowingly obligate them to pay more than one commission except with their informed consent.

**15.10** When MLS Participants/Subscribers are contacted by the client of another MLS Participant/Subscriber regarding the creation of an exclusive relationship to provide the same type of service, and MLS Participants/Subscribers have not directly or indirectly initiated such discussions, they may discuss the terms upon which they might enter into a future agency agreement or, alternatively, may enter into an agency agreement which becomes effective upon expiration of any existing exclusive agreement.

**15.11** In cooperative transactions MLS Participants shall compensate cooperating MLS Participants (principal brokers) and shall not compensate nor offer to compensate, directly or indirectly, any of the sales licensees employed by or affiliated with other MLS Participants without the prior express knowledge and consent of the cooperating broker.

**15.12** MLS Participants/Subscribers are not precluded from making general announcements to prospects describing their services and the terms of their availability even though some recipients may have entered into agency agreements or other exclusive relationships with another MLS Participant/Subscriber. A general telephone canvass, general mailing or distribution addressed to all prospects in a given geographical area or in a given profession, business, club, or organization, or other classification or group is deemed “general” for purposes of this rule.

The following types of solicitations are prohibited: Telephone or personal solicitations of property owners who have been identified by a real estate sign, multiple listing compilation, or other information service as having exclusively listed their property with another MLS Participant/Subscriber; and Mail or other forms of written solicitations of prospects whose properties are exclusively listed with another MLS Participant/Subscriber when such solicitations are not part of a general mailing but are directed specifically to property owners identified through compilation of current listings, “for sale” or “for rent” signs, or other sources of information intended to foster cooperation with MLS Participants/Subscribers.

**15.13** MLS Participants/Subscribers, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service.

**15.14** MLS Participants/Subscribers, acting as buyer or tenant, representatives or brokers, shall disclose that relationship to the seller’s/landlord’s representative or broker at first contact and shall provide written confirmation of the disclosure to the seller’s/landlord’s representative or broker not later than execution of a purchase agreement or lease.

**15.15** On unlisted property, MLS Participants/Subscribers acting as buyer/tenant representatives or brokers shall disclose that relationship to the seller/landlord at first contact for that buyer/tenant and shall provide written confirmation of such disclosure to the seller/landlord not later than execution of any purchase or lease agreement.

MLS Participants/Subscribers shall make any request for anticipated compensation from the seller/landlord at first contact.

**15.16** MLS Participants/Subscribers, acting as representatives or brokers of sellers/landlords or as subagents of listing brokers, shall disclose that relationship to buyers/tenants as soon as practicable and shall provide written confirmation of such disclosure to buyers/tenants not later than execution of any purchase or lease agreement.

**15.17** MLS Participants/Subscribers are not precluded from contacting the client of another broker for the purpose of offering to provide, or entering into a contract to provide, a different type of real estate service unrelated to the type of service currently being provided (e.g., property management as opposed to brokerage) or from offering the same type of service for property not subject to other brokers’ exclusive agreements. However, information received through MLS or any other offer of cooperation may not be used to target clients of other MLS Participants/Subscribers to whom such offers to provide services may be made.

**15.18** MLS Participants/Subscribers, acting as subagents or buyer/tenant representatives or brokers, shall not use the terms of an offer to purchase/lease to attempt to modify the listing broker’s offer of compensation to subagents or buyer/tenant representatives or brokers nor make the submission of an executed offer to purchase/lease contingent on the listing broker’s agreement to modify the offer of compensation.

**15.19** All dealings concerning property exclusively listed, or with buyers/tenants who are subject to an exclusive agreement shall be carried on with the client's representative or broker, and not with the client, except with the consent of the client's representative or broker or except where such dealings are initiated by the client.

Before providing substantive services (such as writing a purchase offer or presenting a CMA) to prospects, MLS Participants shall ask prospects whether they are a party to any exclusive representation agreement. MLS Participants shall not knowingly provide substantive services concerning a prospective transaction to prospects who are parties to exclusive representation agreements, except with the consent of the prospects' exclusive representatives or at the direction of prospects.

**15.20** Participants, users, and Subscribers, prior to or after their relationship with their current firm is terminated, shall not induce clients of their current firm to cancel exclusive contractual agreements between the client and that firm. This does not preclude Participants from establishing agreements with their associated licensees governing assignability of exclusive agreements.

**15.21** These rules are not intended to prohibit ethical albeit aggressive or innovative business practices, and do not prohibit disagreements with other MLS Participants/Subscribers involving commission, fees, compensation or other forms of payment or expenses.

**15.22** MLS Participants/Subscribers shall not knowingly or recklessly make false or misleading statements about other real estate professionals, their businesses, or their business practices.

**15.23** MLS Participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner.

Websites of licensees affiliated with a Participant's firm shall disclose the firm's name and the licensee's state(s) of licensure in a reasonable and readily apparent manner.

**15.24** MLS Participants shall present a true picture in their advertising and representations to the public, including Internet content, images, and the URLs and domain names they use, and Participants may not:

- (1) engage in deceptive or unauthorized framing of real estate brokerage websites;
- (2) manipulate (e.g., presenting content developed by others) listing and other content in any way that produces a deceptive or misleading result;
- (3) deceptively use metatags, keywords or other devices/methods to direct, drive, or divert Internet traffic;
- (4) present content developed by others without either attribution or without permission, or
- (5) to otherwise mislead consumers.

**15.25** The services which MLS participants provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, land brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

MLS participants shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth.

## **DEFINITIONS**

### **SECTION-16 - DEFINITIONS**

**16.1 Participant.** Any REALTOR® Member of the Shareholder or any Board/Association of REALTORS® who is a principal, partner, or corporate officer, or branch manager acting on behalf of a principal, without further qualification, and

each of whom shall be eligible to participate in the services to be provided by Heartland Multiple Listing Service, Inc. (the "MLS") upon agreeing in writing to conform to the Rules and Regulations thereof and to pay the costs incidental thereto. Under no circumstances will any individual or firm, regardless of membership status, be entitled to "Membership" or "Participation" unless such individual or firm holds a current, valid Kansas and/or Missouri real estate broker's license and offers or accepts offers of cooperation and compensation or is licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law.

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed with the MLS in which participation is sought. This requirement does not permit the MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants.

**16.2 Subscriber.** Any real estate licensee or certified or licensed appraiser employed by or affiliated with a Participant.

**16.3 Service Area.** The Corporation's service area shall be the counties of Johnson, Wyandotte, Leavenworth, Douglas, Miami, Franklin, Linn, Atchison, Doniphan, Jefferson and Bourbon in Kansas and Jackson, Clay, Platte, Cass, Lafayette, Bates, Buchanan, Clinton, Caldwell, Daviess, DeKalb, Johnson, Andrew, Gentry, Harrison, Worth, Atchison, Holt, Nodaway, Ray, Henry, Vernon, St. Clair, Cedar, Barton and Dade in Missouri.

**16.4 Out of Area Listing.** A listing on a property located out of the Corporation's service area.

**16.5 MLS Rules.** The rules and regulations, as amended from time to time, of the Corporation.

**16.6 Shareholder.** A Board/Association of REALTORS® which is a shareholder of the Corporation and a member board of the National Association of REALTORS®.

**16.7 Showings.** A showing is defined to be anything outside of broker price opinions and estate sales. Examples of showings include (but are not limited to):

- Any viewings with potential buyers
- Broker/Agent Tours
- Showing Previews
- Open House
- Mentor Viewings

## **VIRTUAL OFFICE WEBSITES**

### **SECTION 17 – VIRTUAL OFFICE WEBSITE (VOW)**

#### **17.1 Definitions.**

(a) A Virtual Office Website (“VOW”) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search Heartland MLS (HMLS) Listing Information, subject to the Participant’s oversight, supervision and accountability. A Subscriber affiliated with a Participant may, with his or her Participant’s consent, operate a VOW. Any VOW of a Subscriber is subject to the Participant’s oversight, supervision, and accountability.

(b) As used in Section 17 of these Rules, the term “Participant” includes a Participant’s Subscribers – except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a Subscriber, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.

(c) “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in HMLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use HMLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to HMLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(d) As used in Section 17 of these Rules, the term “HMLS Listing Information” refers to active listing information and sold data provided by Participants to HMLS and aggregated and distributed by HMLS to Participants.

#### **17.2**

(a) The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(b) Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (“IDX”).

(c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other HMLS Participants whose listings will be displayed on the Participant’s VOW.

#### **17.3**

(a) Before permitting any consumer to search for or retrieve any HMLS Listing Information on his or her VOW, the Participant must take each of the following steps:

- (1) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
- (2) The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.
- (3) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

(b) The Participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant's password.

(c) If HMLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of HMLS Listing Information or a violation of HMLS rules, the Participant shall, upon request of HMLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by HMLS, provide an audit trail of activity by any such Registrant.

(d) The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a "Terms of Use" provision that provides at least the following:

- (1) That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
- (2) That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal non-commercial use;
- (3) That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
- (4) That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;
- (5) That the Registrant acknowledges HMLS's ownership of, and the validity of HMLS's copyright in, the HMLS database.

(e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f) The Terms of Use Agreement shall also expressly authorize HMLS, and other HMLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with HMLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

**17.4** A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a Subscriber licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

**17.5** A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of HMLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by HMLS.

#### **17.6**

(a) A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to HMLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a Seller Opt-Out Form as provided by HMLS.

(c) The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

#### **17.7**

(a) Subject to subsection (b), a Participant's VOW may allow third-parties (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

(b) Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to HMLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 17.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

**17.8** A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by HMLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

**17.9** A Participant shall cause the HMLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

**17.10** Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable HMLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the HMLS Listing Information to any person or entity.

**17.11** A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

**17.12** A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, and whether the listing broker is a REALTOR®.

**17.13** A Participant who intends to operate a VOW to display HMLS Listing Information must notify HMLS of its intention to establish a VOW and must make the VOW readily accessible to HMLS and to all HMLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable HMLS rules or policies.

**17.14** A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

**17.15** A Participant's VOW may not make available for search by, or display to, Registrants any of the following confidential information:

(a) The seller's and occupant's name(s), phone number(s) or email address(es).

(b) Instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property.

**17.16** A Participant shall not change the content of any HMLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment HMLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable HMLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of HMLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

**17.17** A Participant shall cause to be placed on his or her VOW a notice indicating that the HMLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by HMLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or HMLS from liability.

**17.18** A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 listings in response to any inquiry.

**17.19** A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

**17.20** A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in HMLS, to identify the source of the listing.

**17.21** Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by HMLS.

**17.22** Violations of these VOW rules shall be handled in accordance with current HMLS Violation Policies.
